"Gabi The Artist has done popular covers with her own very unique and original style that is on point. Her original song "Pretty Boy" is about to make it big. That song is a definite hit! "

Orie - Skeem Beatz Radio

"Gabi The Artist is our starving artist of the month. We see her hunger and feel her grind following her on social media and listening to her original, dope music."

Lady B and Layla - Splash Radio FM

"...she does it all, Gabi The Artist does it all."

Puma Dumar - Elevation Station

"If that's not a finished product, I'm afraid to find out what a finished product is...That was dope!"
